IMPORTANT NEWS & REMINDERS

SENIOR YEARBOOK PAGES!!

Congratulations, GRACE Seniors, you're almost done with high school! That means a busy year of finishing things up to get ready for college, or work, or maybe something else entirely.

Before you go, though, we would love to learn a little more about you. Please create your senior page for the GRACE yearbook. You get to have a whole page to yourself IN COLOR!

Some ideas for what to include are:

- your senior picture
- a baby or childhood picture
- future plans
- a note from your parents
- favorite Bible verse/quote, etc.
- favorite hobby or pastimes
- important life events
- name as you would like it to appear

Please give your 8.5x11 page to Mrs. Wassink by March 6. Check out previous year's GRACE yearbooks for ideas.

EARTH SCIENCE FAIR: Parents, grandparents and friends are all invited to the GRACE Earth Science Fair on Thursday, April 2 from 12 noon until 3 pm. Our diligent, creative and eager Earth Science students will demonstrate their yearlong projects in the lobby of Trinity CRC, 60 Port Sheldon St. SW, Grandville.

They will answer your questions, show off their work and explain how they used the scientific method in their individual investigations and experiments, so come curious! We look forward to sharing their hard work with each of you

SPOTLIGHT on T.R.I.P.
